

immediately following each overnight trip, the Historian shall write a summary of the trip, including where we went, what we did, interesting things that happened, funny moments, & good memories. If the Historian did not attend the trip, he must still write the report by interviewing those who were in attendance. In addition, with input from the participants, the Historian shall rate the trip on a scale of 1-5 (with 5 being the best). The report will be turned into the ASPL and will be printed in the Eagle Trail Newsletter.

Overnight Trip: _____

Dates: _____
